RESPONSE TO FIRST OFFICE ACTION

Sir:

In response to the Office Action mailed January 31, 2003,
Applicant amends as follows.

IN THE ABSTRACT

Please replace the originally filed Abstract with the
enclosed Replacement Abstract. A marked up version of the
Abstract is enclosed herewith.

IN THE CLAIMS

Please cancel Claim 7 and rewrite as independent Claim 9
as follows:

9. (New) A wiring connection device, wherein a
substantially cylindrical-shape motor case is mounted on a
cylinder block of an engine; a motor stator of an electric
motor having an electricity generation function is mounted in
the motor case; on the crankshaft of the engine is mounted a
rotor mounting member; the motor rotor of the electric motor
is mounted on the rotor mounting member; a terminal box,
having vertical walls standing integrally and extending
